BRAVE Parent Presentation

This presentation will give parents important information and strategies to help keep children safe from abuse and abduction. Join us for an inspiring and empowering discussion about how we can create a safer community for all of our children.

BRAVE Classes

Our BRAVE Classes are age-appropriate safety lessons that include verbal and physical skills to protect against abuse, violence, and abduction by nurturing each student's ability to recognize potential dangers, self-advocate for their safety, and if necessary, physically resist danger.
